**5000mAh**2x USB  
PORT2 YEAR  
WARRANTY

Compact and lightweight  
Will charge your smartphone 2X  
Perfect when you're on the go

Fast charge your life with a Fuel Series 3 Power Bank. It delivers power when it matters most, giving you more energy to live life to the fullest.

### Designed for life

A Fuel Series 3 Power Bank is a no-nonsense way to fast charge your smartphone and other mobile devices with incredible speed. The user-friendly design and slim profile make it easy to take with you, wherever you go. So quickly boost your phone and go back to enjoying life without the hassle of a slow wall charger. This power bank keeps up with whatever you decide to do.

### Powerful features

Despite its compact design it packs a powerful output. This way you're able to fast charge Android devices, as well as Apple iPhones. The large capacity battery means you can easily charge your smartphone up to 2X.

# Features of the Xtorm Power Bank 2X

**AUTO POWER  
MANAGEMENT**

**HIGH  
EFFICIENCY**

**A-CLASS  
BATTERY CELLS**

## **Auto Power Management**

This Fuel Series 3 Power Bank is provided with the APM-chip. This means that the Power Bank automatically balances the power over the attached devices to prevent overcharging or overheating.

## **High efficiency**

The Power Bank Pocket 2X is very efficient and ensures the least possible loss of energy during the charging process.

## **A-class batteries**

Xtorm uses only the best battery cells that meet all safety requirements to provide the fast charging you need.
