Compact and lightweight
Will charge your smartphone 4X
Perfect when you're on the go

Fast charge your life with a Fuel Series 3 Power Bank. It delivers power when it matters most, giving you more energy to live life to the fullest.

Designed for life

A Fuel Series 3 Power Bank is a no-nonsense way to fast charge your smartphone and other mobile devices with incredible speed. The user-friendly design and slim profile make it easy to take with you, wherever you go. So quickly boost your phone and go back to enjoying life without the hassle of a slow wall charger. This power bank keeps up with whatever you decide to do.

Powerful features

Despite its compact design it packs a powerful 18W output that's delivered through USB-C Power Delivery, as well as Quick Charge 3.0. This way you're able to fast charge Android devices, as well as Apple iPhones (by using a USB-C to Lightning cable). The large capacity battery means you can easily charge your smartphone up to 4X.

PD VS REGULAR CHARGING

AFTER 30 MINUTES OF CHARGING

Features of the Xtorm Power Bank 4X

AUTO POWER MANAGEMENT

HIGH EFFICIENCY

A-CLASS BATTERY CELLS

Auto Power Management

The Xtorm APM-chip automatically balances the power over the attached devices to prevent overcharging or overheating.

High efficiency

The Xtorm Power Bank Core 4X is highly efficient and ensures the least possible loss of energy during the charging process.

A-class batteries

Xtorm uses only the best battery cells that meet all safety requirements and can provide the fast charging you need.
