

Glass Cleaner

AlmaWin cleaning products are convincing through best quality regarding protection of the environment, dermatology and efficiency. Our ecological ingredients are very skin mild and gentle to the skin and they are successfully dermatologically tested. Our ingredients are based on raw materials of vegetal and mineral origin – if available certified organic. AlmaWin renounces on synthetical colorants, perfums and preservatives, on petrochemical ingredients and on nanotechnology. Genetic engineering is of course a no-no, too.

All ingredients are bio-degradable and of natural origin.

UNSER
UMWELTHELD

Ingredients

<5% nonionic surfactants (vegetal saccharoidal surfactants). Further ingredients: water, ethanol (vegetal alcohol), lactic acid.

100% of the ingredients are of natural origin.

Characteristics:

The optimal mixture of surfactants and alcohol together with water removes dirt effectively and you will have brilliance free of streaks.

You can use it besides glass for other surfaces suitable for wet sweeping, plastic furniture and so on. Removes dust and finger prints on brilliant surfaces.

Dosage:

Ready to use, spray on the surface, wipe afterwards.

Product sizes:

500 ml – bottle with spray ENVIRONMENTAL HEROE: made from 100 % recycled PET

Awards:

DERMATOLOGISCH
ERFOLGREICH GETESTET

Product certified by Certisys.eu
