

Liquid Detergent

AlmaWin cleaning products are convincing through best quality regarding protection of the environment, dermatology and efficiency. Our ecological ingredients are very skin mild and gentle to the skin and they are successfully dermatologically tested. Our ingredients are based on raw materials of vegetal and mineral origin – if available certified organic. AlmaWin renounces on synthetical colorants, perfums and preservatives, on petrochemical surfactants and on nanotechnology. Genetic engineering is of course a no-no, too.

Ingredients:

≥5% <15% soap (soap and plant oil soap*), <5% non-ionic surfactants (saccharoidal surfactants), perfums (natural essential lavandin* and lavender oil*), linalool. *certified organic.
Further ingredients: water, ethanol, sodium salt of citric acid, lactic acid, xanthan gum. 100% of the ingredients are of natural origin.

Characteristics:

Suitable for all temperatures. Washes the laundry profoundly and protects colors and fibres in a gentle way. Not suitable for wool and silk. Without enzymes, without optical brightener.

Dosage: 1 dosing cap = 30ml

Water hardness	Lightly soiled	Medium soiled	Heavily soiled
