

POWERplus[®]

**SOLAR 3 in 1
DESIGN GARDEN LIGHT**

FLAMINGO

POWERplus® Flamingo Normal & Colour Changing LED SOLAR GARDENLIGHT Wall Light / Table Light

POWERplus
HOME & GARDEN

The POWERplus Flamingo is a 3 in 1 solar light.

You can use this light in 3 ways:

- Garden light
- Wall light
- Table light

Want to have a light on the table on a nice summer evening? Release the Flamingo from the wall holder and you have a table light. Want to have decoration light in the garden? Just connect the Flamingo to the stainless steel pole and you have a beautiful garden light.

You can select normal LED mode or color changing LED mode to act as a colour changing mood light.
